Vapers Unite!

JOIN US

**On Monday, July 31st to tell the San Francisco Board of Supervisors:
ENOUGH!**

- **Are you a vaper?**
- **Do you have a friend or a family member who quit smoking cigarettes and now uses vapor products?**
- **Do you work at or operate a vape shop?**
- **Do you understand and agree with the progressive concept of harm reduction?**
- **Or...do you simply have a problem with political grandstanding that results in prohibition policies aimed at telling adults what they can and cannot do?**

**With all the challenges our city faces...This is NOT what
San Francisco needs! *Let's Be Real, San Francisco!***

If you answered, "YES", to any of the above questions, please join us on the steps of **City Hall at 11AM on Monday, July 31st**. We will be submitting petitions signed by tens-of-thousands of concerned San Francisco residents who are tired of our city leaders **ignoring real problems and depriving law abiding adults of their freedom of choice**. Together we'll tell the Board that we **OPPOSE their vapor flavor ban**. Stand up to political grandstanding. Let's be REAL and give San Franciscans the opportunity to vote on whether they support new prohibitions.
